

## Robert Aiello, PE

### *Associate Principal*

Mr. Aiello is an Associate Principal of the firm and a Licensed Professional Engineer in 15 states with experience in site planning, civil engineering, environmental analysis and related construction services.

Having joined the firm in 1993, Mr. Aiello's skills include management, coordination and scheduling of a project's approval process, site plan design, feasibility studies, layout design, grading design, water pumping and distribution systems, sewage collection systems, stormwater collection and treatment systems, and utility service design. In addition, he is responsible for the analysis and interpretation of zoning ordinances, environmental regulatory requirements and the preparation of Stormwater Management Reports and Environmental Studies.

Mr. Aiello is a former President of the Westchester/Putnam Chapter of the New York State Society of Professional Engineers. He is a member of The Urban Land Institute and a member of the American Society of Civil Engineers since 1991. A magna-cum-laude graduate of Manhattan College, Mr. Aiello holds a Bachelor of Science Degree in Civil Engineering.

Mr. Aiello is a Licensed Professional Engineer in the following states: Connecticut, Delaware, Florida, Georgia, Illinois, Maryland, Massachusetts, Michigan, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, Virginia and Vermont.
