

## Thomas M. Schmidt, LS

### *Senior Associate Principal*

Mr. Schmidt is a Senior Associate Principal of the firm and Licensed Professional Land Surveyor with almost 30 years of experience in boundary, topographic, tree, wetlands, control and utility surveys, construction layout, grading and land subdivision. He has experience providing expert witness testimony in court regarding boundary line issues.

Since joining the firm in 2002, Mr. Schmidt's responsibilities include the supervision, preparation and review of boundary, topographic and utility surveys, title research, subdivision plats and the preparation of easement and property descriptions.

Mr. Schmidt is licensed in New York and Connecticut. He is a member of the New York State Association of Professional Land Surveyors, Connecticut Association of Land Surveyors and National Society of Professional Land Surveyors.

A 1985 graduate of New York College of Environmental Science and Forestry at Syracuse and a 1982 graduate of New York College of Environmental Science and Forestry at Wanakena, Mr. Schmidt holds respective degrees in Natural Resources Management and Forest Technology. Mr. Schmidt continues to stay updated in the latest regulations and technology by attending continuing education courses in Property Boundary Law, Global Positional Systems (GPS), Laser Scanning and Right of Way Regulations.
